

E|CSA EC-COUNCIL CERTIFIED SECURITY ANALYST

What is ECSA? 	Course Content 	Who's It For? 
<p>The ECSA pen-testing program takes the tools & techniques you learned in the Certified Ethical Hacker course & teaches exploitation skills by applying the skills learned in C EH & utilizing EC-Council's published penetration testing methodology</p>	<p>Students will receive their study kit consisting of physical & digital courseware, iLabs code, & Aspen dashboard access code. iLabs will be used to complete classroom training sessions. Students will work with the instructor to review the tools & learn how to apply them to the iLabs Cyber Range. The goal of the course is to work to complete the range & submit the report.</p>	<ul style="list-style-type: none">• Ethical Hackers• Penetration Testers• Network server administrators• Firewall Administrators• Security Testers• System Administrators & Risk Assessment professionals
What's New in ECSAv10 	Course Mapping 	Exam Information
<ul style="list-style-type: none">• 100% methodology-based penetration testing program Blended with both manual and automated penetration testing approach• Designed based on the most common penetration testing services provided by the penetration testing service providers and consulting firms in the market• Maps the jobs roles of penetration tester, security analysts by conducting Job Task Analysis (JTA) using major job portals• Presents a comprehensive scoping and engagement methodology• Provides strong reporting writing guidance to draft valuable and comprehensive penetration report	<ul style="list-style-type: none">• C ND• C EH• C EH (Practical)• ECSA• ECSA (Practical)• APT• LPT (Master)	<p>EXAM TITLE</p> <ul style="list-style-type: none">• EC-Council Certified Security Analyst <p># OF QUESTIONS</p> <ul style="list-style-type: none">• 150 <p>DURATION</p> <ul style="list-style-type: none">• 4 Hours <p>PASSING SCORE</p> <ul style="list-style-type: none">• 70% <p>Part 1 – Report Writing Report writing is a mandatory requirement that qualifies the candidate for the final multiple choice exam. This step will require the student to demonstrate the knowledge & skill acquired through the study material (inclusive of the labs) via submission of a detailed report.</p> <p>Part 2 – Multiple Choice Once the report is approved, a multiple choice exam voucher will be automatically sent to students.</p>
